The general sessions are packed with business, acknowledging individuals and clubs for their initiatives over the past year and fun and fellowship opportunities for you. The Saturday Banquet is a time to dress up and come and enjoy a great meal together and celebrate our accomplishments. We'll also include the installation of District Officers, the honouring of the District Volunteer of the Year and great entertainment.

It is a wonderful opportunity to renew friendships and make new ones.

Come and share you ideas, gain knowledge and enjoy the fun and fellowship of Quota.

I look forward to seeing all of you in Collingwood as we celebrate our district theme -
